## silicone grease GLS 794/N3 H1 Halal

ELKALUB GLS 794/N3 is a fully synthetic special grease for application in food, beverage and pharmaceutical industries. It is particularly suited for slide pairings (e.g. taps, valves, fittings) and as a mounting grease. The product is very resistant against water and steam and can be used for operating temperatures from -40 °C up to +180 °C. As a special feature for beverage dispensers and breweries: ELKALUB GLS 794/N3 does not have any influence on the formation of beer foam (see report of TU Munich, 15.06.2016).

This is a special product which can be produced individually for you on request. Smaller quantities can apply. Please just talk to us.
