	Product	Application		
Oils	ELKALUB LFC 42220 HT	high-temperature chain oil		
	ELKALUB LFC 3000 series	H1 gear oils, various viscosities (ISO VG 15 to 1000)		
Greases	ELKALUB GLS 595/N2	PFPE-based high-temperature grease, up to 250 °C		
	ELKALUB GLS 980/N2	synthetic high performance grease, MOSH-free		
	ELKALUB VP 873	heavy-duty grease for slow-turning and highly loaded lubrication points		
	ELKALUB 22103	assembly paste with solid lubricants, up to 700 °C (H1-registrable)		
Sprays	ELKALUB FLC 3010	universal H1 spray		
	ELKALUB FLC 745	H1 silicone spray for sliding movements		
	ELKALUB FLC 4010	high-temperature spray, up to 180 °C		
	ELKALUB FLC 8 H1	chain and adhesive lubricant		
	ELKALUB FLC 900 Clean	cleaning spray, evaporating without residue		
	ELKALUB FLC 675 R+S	chain cleaner		

\* All products listed here (exception: ELKALUB 22103) are NSF H1 registered and approved for use in the food industry.
